b) CARD PAYMENT or guarantee (See Appendix 1 - for details)

The **easiest way** to pay by card is to send us your card details and we will charge your card for the services that we offer to you.

You should provide us the following information, by phone (we can call you), mobile phone as call or SMS/Text, by fax or email (the one you think it is more secure):

- card number (16 digits)
- CVC number (3 digits on the back of the card)
- expiration date (month / year)

The amount will be charged RON (local currency) at the sale exchange rate of the day.

Through our contract with the bank and the client, we are not allowed to give to any third party any confidential information about the client's cards.

### c) CASH on ARRIVAL

If you prefer to pay cash upon arrival, we accept this way as well. But to guarantee your booking and services, we need to get an on hold amount from your card (valid maximum 1 month) until your arrival, which will be released after your cash payment. For the card guarantee, we will request the same information as for the card payment (please refer to card payment).

d) CHECKS It takes almost 6 weeks to get hold of the money, so please send the checks in advance for the upcoming trips. Please make checks **payable to ACTIVE HOLIDAYS SRL**.
